Subject: Empanelment as Third-Party Destructive Testing Agency with MGL

With reference to your email dated 20.11.2025, for empanelment on the subject matter & subsequent evaluation of your organization's credentials, infrastructure, technical manpower, quality systems, and compliance with applicable statutory and regulatory requirements, it has been decided to empanel M/s Global Metascan Analysis LLP, as an approved Third-Party Destructive Testing Agency with Mahanagar Gas Ltd (MGL), for carrying out Destructive Tests (DT) related to Natural Gas pipelines including Carbon Steel pipes, GI pipes, Welds joints etc. as per relevant standards.

Empanelment is valid for a period of **one year** from the date of issue of letter subject to following general terms and conditions:

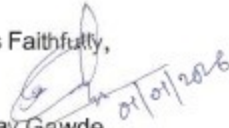

- Agency shall strictly adhere to all terms and conditions outlined in the MGL specification & relevant NABL standard.
- Agency shall deploy qualified, trained, and authorized personnel only.
- Agency shall maintain impartiality, independence, and confidentiality in all assignments.
- Agency shall ensure calibration and traceability of instruments as per applicable standards.
- Agency shall maintain accreditation under ISO-17025 standard for the scope for which agency has been approved.

MGL reserves the right to review or withdraw the empanelment at any time, based on the performance and quality of audits conducted by the MGL QA Engineer.

We look forward to your continued cooperation and commitment to upholding the highest standards in conformity assessment and regulatory compliance.

(Mahesh Vaidam)

Yours Faithfully,

Sanjay Gawde
